Term 3

Week ending Friday 19th August 2011

"Imagination does not become great until human beings, given the courage and the strength, use it to create."

Dr. Maria Montessori

This Week...

- Children learned about road safety. We had group discussions throughout the week about traffic lights, importance of having seat belts in the vehicle and wearing helmets when riding bikes.

- Children learned the Australian Anthem and another very special song. They were eager to grasp the lyrics of the songs. Well done children!

- Children learned about the solar system
 - Largest planet
 - Names of planets
 - Smallest planet
 - Hottest planet
 - How many moons does earth have
 - How many moons does Jupiter have
- Children were engaged in Montessori activities as usual, succeeding all tasks. Our children learn through the opportunities provided.

- Next week all our children will receive a certificate for successfully completing 'The Rainbow Fruit Target!. Good effort. It's amazing to now see all the children join for morning tea.

- Parents we ask if you could kindly bring flowers from your garden for our Montessori opportunities in the environment. We would greatly appreciate it. If you can, please bring along flowers from next week. Thank you 😊
