**Happy Father's Day**

Hope you all have an enjoyable and relaxing day!!

We would like to say a big Thank You to all the mums for providing photographs for the children to make a memorable Father's day gift. Well Done mums!

# This Week...

- Children enjoyed watching the process of the egg in vinegar as the shell dissolved. We encourage parents to also carry out the procedure at home.
- We made a model of a school building with our recyclable items. This was to create a positive outlook for the children who will be graduating from MME EC at the end of this year. We have had group discussions about school to give children a better understanding of what school will be like.
- We wished Hugo a Happy Birthday for last Sunday 28<sup>th</sup> August. We hope he had a great day!

- Children were long awaiting for the **“Pyjama Day”** with excitement, which took place on Thursday. They enjoyed the day with a different routine including watching a movie, bedtime stories and night sky making. It turned out to be a beautiful sunny day allowing us to have our Teddy Bear Picnic outside. All photos will be displayed at the Centre next week and will also be forwarded to all parents by email.

Good bye **N**ext week we say Good Bye to Freddie Newing. It has been wonderful to have a child like you in our Montessori environment and we are sad to say Good Bye. MMEEC Staff and children wish you all the best in your future studies. Don't forget to come and say hello again.
