

MMEEC
Weekly Newsletter
Term 3

Week ending Friday 9th September 2011

Little children, from the moment they are weaned, are making their way toward independence."

Dr. Maria Montessori

This Week...

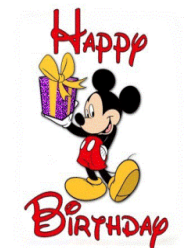

- Our children had a wonderful time making cheese pizza with Chef Daniel, Maddie Wilson's Dad. The children enjoyed learning about the chemical reaction between the yeast, sugar and warm water to create the dough rise. The pizza's were cooked and served for morning tea.

- We have started creating *Spring* art work to decorate our class room. The children always take pride in creating a beautiful piece with imagination.

- Our children are reaching all developmental milestones by completing Montessori activities. The prepared environment provides the necessary resources to satisfy their inner need.

- We wished Genevieve a Happy Birthday on Monday!

- It is time to say Good Bye to Freddie. It was wonderful to have a child like you in our Montessori environment but sadly now, we say Good Bye. MMEEC Staff wish you all the best in your future studies. Don't forget to come back and say hello sometime!

Good bye
