Weekly Newsletter

Thursday 22nd October 2009

Welcome to the end of the third week of the term and we are all well and truly settled in.

It has been a beautiful sunny week which made the children's outdoor activities much more enjoyable especially their picnic lunch. The children were so excited to be eating their lunch in the warmth of the sunshine.

To the Parents of children leaving to go to school next year, if you have not already done so, could you please advise which primary school your child will be attending as well the orientation dates for this term. Thank you ☺

Observations and interviews for children who have attended at the Centre since Term 2, will take place next week. If you have not done so already, please note the time of your interview and place your name next to your preferred time for an observation. Thank you ☺

It would be appreciated if payments of Term 4 fees are made as soon as possible. As I am sure you understand, the cost of running the Centre depends on the prompt payment of fees. Thank you ☺

If you are making a direct deposit payment of fees, our bank details are as follows:

- *Account Name* - *Malaambe Pty Ltd*
- *BSB:* - *633 000 or 633 108*
- *Account No* - *1299 16292*

Please remember to add a reference (i.e child's name).

On the topic of fees, parents are reminded that there will be a \$50 increase in term fees as of Term 1 2010. The new fee amounts will be as follows:

- *\$1300 per term for the morning program 8.30am to 12.00pm*
- *\$1700 per term for the extended day program 8.30am to 3.00pm*

.....*Please remember to advise of any changes of address, telephone numbers, email addresses etc. It is very important that our records are kept up to date. Thank you*

.....*We remind parents that, if you park in Sheffield Street, please ensure that you do not park across driveways or restrict access in any other way. Also, please do not park in “No Parking” areas under any circumstances. In response to residents’ complaints, traffic officers patrol the area on a regular basis and we trust that you will abide by all parking regulations and give consideration to the residents. Thank you ☺*

This week we

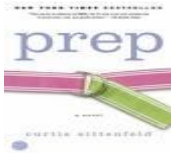

- *Said goodbye to Olivia and wished her all the best and asked to bring the baby to kinder when he/she arrives. We shared lots of baby stories and many children made cards and keepsakes for Olivia.*

- *Are enjoying getting to know Frances and love doing work with her.*

- *Had picnic lunch outside the garden in the nice sunny day.*

- *Talked about visiting new schools and those children who are going on to Prep next year have been asked to take a few photos of the school grounds and anything else that they'd like to share with us. We are looking forward to hearing about practice days and interviews as they happen.*

- *Learnt a new poem "A kite, a sky, and a good firm breeze,
And acres of ground away from trees,
And one hundred yards of clean, strong string*

O boy, O boy! I call that Spring!"

- *Discovered drawing with stencils of Australian animals such as possum, bandicoot, echidna etc.*

- *Predicted what came next in a variety of sequencing activities.*
