Week ending Thursday 3rd June 2010

Hello Parents...

Edwards Park; *We are all looking forward to our trip to Edwards Park on Tuesday morning 8th June. Please remember to wear warm clothing and sturdy shoes! ☺*

Science *This week for Science the children have explored floating and sinking which is further developing their prediction skills and promoting logical thinking.*

The older children have been refining their cutting skills using the inset and exploring number bonds using the snake game with the mathematical materials

Practical Life;

The younger children are developing their classroom skills through collage work in the practical life area of the classroom.

All the children have enjoyed making super glasses out of card, engaging in fantasy and imaginary play.

And once again we end the week with something that might amuse you;.....

While the children sat at the lunch table discussing 'bubbies', Lonnie piped up and said "I have a bubby at home", to which Filip asked "Who", to which Lonnie then replied, "He's called Daddy" 😊

Have a Great Weekend!

Thank You!

Thank You!

...to the families for your continued support which helps to shape our beautiful Montessori environment.
