Hello Parents...

Edwards Park; *We all had a great day on Tuesday, on our trip to Edwards Park. The children enjoyed feeding the ducks, walking around the lake and playing on the play park area and on the train. Unfortunately we did not get to see the autumn colours as most of the trees in the park where deciduous (evergreen).*

We would like to say thank you to Felix's mum, Jenny and Zayd's mum, Manelle for their help on the day.

As the park is just a short walk from the Centre, we are looking at maybe making this a regular trip. We would like your feedback on what you think about us taking a nature walk every couple of weeks, once Winter is over and the Spring is upon use.

The older children have progressed to our word lists, this week and continued to explore number bonds using the small number rods and addition strip board.

Cutting Skills

The younger children have enjoyed developing their cutting skills, this week, using knives and scissors. They have made lovely fruit kebabs for cookery and kites for art.

We would like to make a special mention on how well the children are holding up at this time of year, when a lot of them are feeling slightly under the weather with colds and coughs and feeling a little tired, as we go into the last two weeks of our second term. Well done all of you.

Public Holiday

Another reminder that this weekend is the Queens Birthday long weekend and our Centre will be closed on Monday 14th June.

Have a Great Weekend!

Thank You!

Thank You!
