## Hello Parents...

*Opposites;* The children have enjoyed exploring texture as part of our work on opposite's topic. Mixing paint with flour, sand, rolled oats and mud then exploring the texture through feel and touch once painted onto the paper and dried.

## Making Trains;

*They have also enjoyed working as part of a group to create a train out of cardboard boxes. Working co-operatively to decide the shape, design and colour of each carriage and engine.*

*The children have displayed lovely team work and are enjoying the role play experiences the train enables them to explore.*

*In cooking, the children have been demonstrating their practical life skills through independently making fairy buns, following the picture indicators to weigh, mix and fold in the ingredients.*

*The older children are making excellent progress with the L.M.A and the younger children are becoming more independent with the work cycle and understanding on how to use the classroom.*

*We would like to ask that the parents please enter our classroom via the playground entrance, on the request of the teachers in the Prep area, so as not to disturb their time before their children arrive.*
