## Hello Parents...

---

*This week we have been making a hot air balloon out of paper mache after Aidin pointed them flying in the sky on arriving at school on Monday. We had a lovely discussion on where we would all like to go to in a hot air balloon. Aidin said Queensland, Kate said the beach, Matilda a castle, Lonnie Gogwarts (Harry Potter), Filip said to the zoo and Felix said to Spain.*

## Geography;

*In geography the children have continued the theme of opposites working with the land and water forms for a lake and island, isthmus and strait.*

*The younger children are developing their fine motor control with the practical life, pouring and transferring exercises and using the graded sequence. These exercises define their skills from simply pouring one jug to another, down to being able to transfer water using a syringe. This is helping them build their self esteem, focus and independence.*

*We would like to congratulate Aidin and Matilda, on having completed working on the L.M.A. They are making excellent progress through our pink level boxes, independently sounding out, blending and reading C.V.C words. Well done! 😊*

## ***picnic Lunch;***

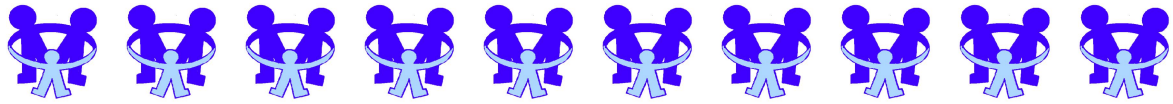

*As the weather is still pleasant, we would like to arrange a picnic lunch for the children at one of the nearby parks, to explore the season, looking at the Autumn colours in the tree's. We would like to know parent's thoughts on this event, any suggestions on the venue and who would be able to attend. Thank you 😊*

*We are excited to announce that a delivery of new Montessori equipment arrived this week.*

*We would like to ask that the parents please enter our classroom via the playground entrance, on the request of the teachers in the Prep area, so as not to disturb their time before their children arrive.*

# Have a Great Weekend!

## Thank You!

### Thank You!

*...to the families for your continued support which helps to shape our beautiful Montessori environment.*
