## Hello Parents...

*We hope you all enjoyed the long weekend  
and the short school week.*

*This week the children have enjoyed making oaty bars in cookery. If any parents have good healthy recipes for the children to follow, please share them with us. Thank you ☺*

*For science, this week the children enjoyed filling a plastic glove with coloured water and freezing it. Then they watched as it defrosted on a tray, noting that the little finger was the first to melt and the thumb and palm were the last to melt. We decided that next time we try this experiment, we will choose a colour other than red, as it looked rather scary and Gill had red stained hands for two days! !!*

*This week the older children have been developing their class room skills, using rulers, rubbers, hole punches and making books.*

*The younger children have enjoyed using a hammer on wood to develop their hand to eye co-ordination*

*Parents just a reminder from Bruce, the school principal, to please not park in the staff car park as those places are limited. Thank you ☺*

# Have a Great Weekend

## Thank You!

## Thank You!

*...to the families for your continued support which helps to shape our beautiful Montessori environment.*

*Queens Birthday Holiday - 14<sup>th</sup> June*  
*End of Term 2 - 25<sup>th</sup> June*

*Please remember to advise of any changes of address, telephone numbers or email etc.. It is very important that our records are kept up to date.  
Thank you*

*\*\*We remind everyone that as we are an Allergy Aware Centre all nuts or any foods containing nuts or traces of nuts are NOT allowed in the Centre. Please keep this in mind when preparing your child's lunch. Thank you ☺*
