Term 4

Week ending Friday 28th October 2011

Trip to LaTrobe.....

We had a great time!! (Please see attached report for all the details). The children were so excited! Tyler suggested, at circle time, that our next trip should be by plane!! Tyler would like us all to jet off to China with Dada. The other children suggested Spain, Byron Bay, the beach, Canada, Samoa and Pop's place!

A warm welcome to Carla and her family. Carla joins us two afternoons a week as a transition to starting the full program next year. We look forward to working with Carla and her family.

This week the children made witches fingers in cooking.

In art, the children created pictures, that will have a photo of each child attached and laminated to be mounted up as a display for the fete. Each parent will have the opportunity to buy their child's art work on the fete day.

Fete...

The children were also busy potting up seeds to sell at the fete.

We will have the cake stall, plant stall, a craft stall, run by Linda and Nicole, Zachary's grandma and mother. Nisha will be doing some Indian Henna painting. Angela, Mitchell's, mum will be running a body-art stall which takes a forensic imprint of your child's hand or feet to place onto key rings, cups, stubby holders etc. She will be in school on the 9th November, prior to the fete for our parents. Please see attachments with information and order form.

Don't forget to come along on the 12th November. 11.00am until 4.00pm. Lets all keep our fingers crossed for nice weather!. Also, you will have received a raffle book for the school, please can we have them returned by Monday 7th November, so all sold tickets can be placed into the draw. Thank you.

Treasure Bag...

Millie brought the treasure bag in on Friday. She was very excited to show us her goodies. First came a fairy doll, then her very flashy pink sun glasses, her tortoise, some more fairy dolls, a kaleidoscope, fairy jewellery box, oil lantern from Science Works and finally her dress up fairy dress. I think we can safely say that Millie likes fairies!

A big apology to Kaedon for not mentioning his treasure bag last week. He was very excited to show his Batman bike and car, his back pack, Ben Ten toys, his Hot Wheels cars and his Green Lantern bike. He also showed his magic mushroom, which lights up, his books – "A Promise in Every Colour", "Red Light Green Light" and "Bens Big Book of Cars". He was very confident telling everyone about each item and why he liked them. Well done Kaedon! What a star!

Melbourne Cup Holiday...

Reservoir West Primary School will be closed on Monday 31st October and Tuesday 1st November. Our Centre will be open Monday but closed Tuesday for Melbourne Cup Day holiday.

November

23rd Phaidon Dickinson & Troy Mussacchia

December

6th Hassan Chennah
17th Samuel Kenny
